

“No”

Not tonight. **Let's do something else.** I'm not into that. Can I get a raincheck? I'm not in the mood. **Stop.** I'm not ready. I'm not sure. **I need to slow down.** I don't like you like that. I think it'll be hotter if we wait. **I'm not feeling it.** I want to stop. **I just want to be friends.** Let's keep it G-Rated. **Let's talk about it first.** Don't touch me. **Ask me first.** I don't want to. **I need space.**

always get CONSENT first
